VERSE 1:

Just to be here close to you
Just to be here close to you
Is all I'm living for
You're all I'm living for

VERSE 2:

I Sit here at your feet
I Sit here at your feet
To pour my love on you
I pour it out on you

CHORUS:

It's your pre-sence Lord
I love your pre-sence Lord
And all I know is I find all I need
Where you are

VERSE 3:

I throw away my plans
I throw away my plans
Just to be with You
I want to be with you

VERSE 4:

I Empty all myself
I Empty all myself
To make more room for you
I make more room for you

BRIDGE:

Give me Je - sus
Give me Je - sus
You can have all this world
But give me Je - sus
