

At the Table [Lyrics, 108 bpm]

[Default Arrangement] by Matthew McGinley, Micaela McGinley

INTRO:

VERSE 1:

Here we are creation joins in one song
With humble hearts and eyes fixed upon your throne
We know wherever you are there's living water
Here in this moment You're calling us deeper

CHORUS 1:

As we lift your name
You're enthroned on the praise of your people
We set a place at the table
We want to see the king

VERSE 2:

As you respond our lives are forever changed
Hold nothing back open up heavens gates
We know where ever you are there is new fire
Here in this moment You're calling us higher

CHORUS 2:

As we lift your name
You're enthroned on the praise of your people
We set a place at the table
We want to see the king
As we sing your praise
We join as your sons and your daughters
Lord we're crying out for revival
We want to see the king

BRIDGE:

As praise goes up heaven comes down
We see it now we see it now **(X3)**

BRIDGE 2:

As praise goes up heaven comes down
We see it now
