

Beatitudes (To My Knees) [Lyrics, 67 bpm]

[Default Arrangement] by Matthew McGinley

INTRO:

VERSE 1:

I want to see God
So purify my heart within Your fire
I want to be filled
So let my hunger be for nothing else
I want to know Heaven
So here I am depending on Your grace

CHORUS:

Bring me to my knees again
Bring me to my knees again
I need you I need You
More than any words can say
I'll show You Lord for all my days
I love You I love You

VERSE 2:

Lord I need mercy
So teach me to have mercy on my brother
You call me your child
So peace is what I'll bring where there's division
I want to know Heaven
So no matter what it costs I'll burn for You

CHORUS 2:

Bring me to my knees again
Bring me to my knees again
I need you I need You
More than any words can say
I'll show You Lord for all my days
I love You I love You
I love You I love You

BRIDGE:

If your wealth is found in poverty
Make me poor
If I'll see you in the purity
Make me pure
I don't want to climb this ladder
Just to realize it's not what you were asking for

(REPEAT)

BRIDGE 2:

If you're asking for my everything
Lord it's Yours
If Your presence is enough for me
Give me more
I don't want to climb this ladder
Just to realize it's not what You're asking for

Beatitudes (To My Knees) -
