

# Come and See [B, 68 bpm, 4/4]

[Default Arrangement] by Matthew McGinley

## Chorus

**G#m E B F#**  
Come and see the Lord is good  
**G#m E F#**  
Come and see His love never fails you  
**G#m E**  
Put your hand into His side  
**B F#**  
See the scars within His hands  
**G#m E**  
Look into the Savior's eyes  
**F#**  
As He calls you

## Verse:

**G#m E F#**  
I will never forget the day He called  
**G#m E B F#**  
I will never regret when I left it all behind me  
**G#m E**  
With His robe on my back  
**B F#**  
I never look for the rags  
**G#m E**  
I used to know  
**B F#**  
Cause now I'm home

## Bridge:

**B**  
You think that blind man  
**Bsus**  
Regrets the day when  
**B Bsus**  
He saw his Savior through open eyes  
**B**  
You think that leper  
**Bsus**  
Forgot the day when  
**B Bsus**  
He felt the touch of his Savior's love  
**G#m**  
You think that mute man  
**E**  
Wouldn't tell you about Him  
**B F#**  
You think the dead would stay in their grave  
**G#m**  
How could that lame man  
**E**  
go back to never walking again

## Come and See -

How could that captive  
Remain in his chains  
How could I ever go back to nothing  
When I have everything I'll ever need  
How could I ever go back to nothing  
When I have everything I'll ever need

### Chorus 2:

I have seen the Lord is good  
I have seen His love never fails me  
I put my hand into His side  
I see the scars within His hands  
I look into my Savior's eyes  
As He calls me
