

# Higher [Lyrics, 70 bpm, 4/4]

[Default Arrangement] by Matthew McGinley

## INTRO:

### VERSE 1:

In the mystery, in the depths of all your thoughts  
there is no end. Even before the world was made  
you were there  
In the chaos, wind and waves will tremble at the  
sound of your voice. In the deep and darkest oceans  
you are there, you are there

### CHORUS:

Lead to me to a place that's deeper  
Take my heart where feet could never go  
Jesus your my light, my strength, my song  
Lead me to the rock that's higher than all

### VERSE 2:

In confusion, I hear a whisper call me out  
upon the waves. Even when shadows cling I know that  
you'll be there, You're always there

### CHORUS 2:

So lead to me to a place that's deeper  
Take my heart where feet could never go  
Jesus your my light, my strength, my song  
Lead me to the rock that's higher than all

## INTERLUDE:

### BRIDGE:

You are good and your love endures forever  
You are God and you will never change  
Your word is true and your promises are perfect  
You're the rock that's higher than all
