

# HOPE'S CAPTAIN [D]

Matthew McGinley  
CCLI #: 7100947

## VERSE 1

In the wake of my fate, my gaze caught yours  
On the cross I deserved, I found hope like the sun  
Once death's captive, now held by hope's captain  
The keys to your life in your nail-scarred hands

## CHORUS

In your faithfulness, You hold me  
Your promises are unchanging  
You have my heart, You never fail  
And You never will, You never will  
(REPEAT)

## VERSE 2

Your perfect love has overcome  
All my fear and all my doubt  
(REPEAT)

## BRIDGE

The war is over, it is finished  
The cross has shattered death and sin  
Your voice like thunder moving the mountains  
Our King has won the victory  
(REPEAT)

## CHORUS

In your faithfulness, You hold me  
Your promises are unchanging  
You have my heart, You never fail  
And You never will, You never will

## VERSE 3

Now in the dawn of your grace, Your face is all I see  
Under the weight of your love, I find peace in your keep  
Once death's captive, now held by hope's captain  
The keys to your life in your nail-scarred hands
