F      G        C/E      F
I was lost inside the dark
      F              G        Am
You never gave up on my heart
F        G        C/E      F
Drowning in my sin and shame

No saint or thief no slave or king

You're just that good
