

Living Water [Lyrics, 70 bpm, 4/4]

[Default Arrangement]

VERSE 1

Here I find myself at the well again
Every time before has left me wanting more
I reached for worth but only caught the wind
I found this well can't satisfy my soul

VERSE 2

You seek me out and you find me here again
You know exactly what I've done and who I've been
Still I hear you say come be with me
Cause my well will satisfy your soul
I know your well will satisfy my soul

CHORUS

You're living water
You're the fount that won't run dry
You're living water
You fill my heart up every time

VERSE 3

I found new life I'm not going back again
I've traded rags for gold and I'm not letting go
I can't contain this fire in my bones
You're just that good and there's nothing I want more

BRIDGE 1

I thirst for you
My heart it burns for you
I won't look back I won't look back
I won't look back
I won't look back I won't look back
I won't look back

BRIDGE 2:

I won't look back I won't look back
I won't look back
I won't look back I won't look back
I won't look back
