

Loss [Lyrics, 68 bpm]

[Default Arrangement] by Matthew McGinley

INTRO:

VERSE 1:

Vain have been my past inquires
To solid good my wishes rise
The earth and all its bare delights
Could never fully satisfy

CHORUS:

Everything I have, I count it all as loss
But to know you God is all this heart longs for
With every breath, every step I'm carrying your name
For I know there is no one else like you

VERSE 2:

Burn in me a vast desire
For your pure and faultless light
My life and lips will join to say
Jesus be forever praised

BRIDGE:

If I lose it all, my hands stay lifted
If I gain the world, still my heart will bow low
This hope I know, will never fail me
You're everything I need

VERSE 3:

When earth's behind and our eyes meet
In amazing grace I stand complete
Jesus everlasting love
Forever you and I and are one
