VERSE 1

I can't believe what I have seen
Light of heaven all around me
Wider than the wind but closer than my breath
Your heart is all I am pursuing

PRE-CHORUS 1:

I've tasted this world but I've drank of your life
And I want more of you
Your Glory unexplainable
Your power uncontainable

CHORUS:

Revive my wonder
Lord take me back to where I belong
It's right here in your presence
I can't get enough
Lord, revive my wonder

VERSE 2:

I feel it now deep in my chest
Breath of freedom flowing through me
Now I am home I'm safe in your arms
This endless love is overwhelming

PRE-CHORUS 2:

I've tasted this world but I've drank of your life
And I want more of you
Your grace is unmistakable
Your greatness incomparable

CHORUS:

Revive my wonder
Lord take me back to where I belong
It's right here in your presence
I can't get enough
Lord, revive my wonder

BRIDGE:

I've tasted this world
But I've drank of your life

And I want more of you
Your Glory unexplainable
Your power uncontainable

CHORUS:

Revive my wonder
Lord take me back to where I belong
It's right here in your presence
I can't get enough
Lord, revive my wonder
