

Risen Champion [Lyrics, 72 bpm]

[Default Arrangement] by Matthew McGinley

VERSE 1:

There on a wicked frame
The son gave up His breath
The darkest day was ending
The wrath of God content
The sins of a fallen world painted on His brow
The pure spotless lamb of God clothed in crimson blood
The heart of the Father torn like the holy veil
But the story doesn't finish there

PRE-CHORUS:

The earth quaked and rumbled
All hell shook and trembled
He started to breathe again
The stone couldn't hold Him in
The light broke it open
The heavens erupted
As He rose in victory

CHORUS:

O praise the one
Who's crowned above all others
O praise the one
Who sets the captives free
Sing to the one
Who died and overcame the grave
King Jesus our risen champion

BRIDGE 1:

All authority in Heaven and on earth
Is yours yours forever
Death devoured in the grave
Tell me hell where is your sting and victory
It's gone gone forever
You were defeated on that day

BRIDGE 2:

All authority in Heaven and on earth
Is yours yours forever
Death devoured in the grave
Tell me hell where is your sting and victory
It's gone gone forever
You were defeated on that day
