

# Spirit Unbordered [Lyrics, 74 bpm, 4/4]

[Default Arrangement] by Matthew McGinley

## **INTRO :**

### **Chorus :**

Have Your way in me  
Have Your way in me  
Holy fire burn upon my praise  
Like a flood Spirit now invade

### **VERSE :**

I hear the sound of a raging storm  
I feel the rush of a mighty wave  
Heaven come with Spirit unbordered

### **BRIDGE :**

The atmosphere is changing  
As broken hearts are restored in You  
The floors of hell are shaking  
Our God has come to make all things new  
I can hear it rising  
The sound of praise to the King of Kings  
So open up the floodgates  
We want to see heaven touching earth

### **ENDING :**
