

The Cross Said It All [Lyrics, 76 bpm, 4/4]

[Default Arrangement] by Matthew McGinley and Micaela McGinley

INTRO

VERSE 1

I was an orphan 'till You found me
You lifted me up and You gave me a new name
I was in shackles to my old ways
But You gave me a song and You taught me to praise
You taught me to praise

CHORUS

I know who I am
'Cause I know who You are
I'm found in your hands
Nothing can keep us apart
I run to Your heart
Through Your open arms
And if You never did a single thing more

(INTRO)

The cross said it all I am loved

VERSE 2

Adopted and chosen to Your family
I'm not my own I've been bought with a price
Now I am clothed with new identity
Led by your spirit I walk in Your life

BRIDGE

I'm bought with the precious blood
From my saviors scars
Jesus I'm found in Your arms
No matter what I've done
You are still enough
Jesus I'm found in Your arms
Jesus I know who I am... (TO CHORUS)
