[Default Arrangement] by Matthew McGinley

## INTRO

### VERSE 1:

You are our anchor, our banner, our song  
We want the fullness, the power of your love  
No matter what we face this hope is what we know  
You'll finish what you started  
You'll finish what you started

### CHORUS:

Jesus you can move the mountains  
There's nothing you can't do  
We believe  
Jesus you have won the battle  
You silenced death and grave  
You are alive

## INST

### VERSE 2:

You are our warrior, our refuge, our Lord  
We need your presence, your hand to go before  
No matter what we face this hope is what we know  
The best is still to come  
The best is still to come

## CHORUS

## INST

### BRIDGE 1:

With one voice we shout  
We'll sing until the walls come down  
With hands held high  
We're standing on your promises  
You always go before us  
So we know how this thing ends  
'Cause You never lose a fight

### BRIDGE 2:

With one voice we shout  
We'll sing until the walls come down  
With hands held high  
We're standing on your promises  
You always go before us  
So we know how this thing ends  
'Cause You never lose a fight
