There's a strength that goes be -fore us
There's a truth that never fails, it cannot be shaken
There's a life worth so much more
There's a name above all names
His name is Jesus

Hope of the Earth living in us
Light of the world shines through the dark
We will arise, standing as one
For you are our God
And You bring the world to life

There's a hope that brings new life, it shatters the darkness
Hear the sound as we cry out
There's a name above all names
His name is Jesus
