

Worthy Are You God [Lyrics, 73 bpm]

[Default Arrangement] by Matthew McGinley, Jordyn Pierce, Zac Crider

Verse 1:

There's wideness in His mercy
Vast grace that covers us
There's kindness in His justice
Displayed on Calvary's cross

Verse 2:

There's welcome for the sinner
God reaches out to us
There's freedom in the Savior
In Him we have enough

Chorus:

Every nation sing Holy
Every heart proclaim
Worthy are you God, worthy are you God
Forever you will be Holy
With one voice we sing
Worthy are you God, worthy are you God

Verse 3:

The love of God is greater
Than any tongue could tell
Higher than any mountain
Reaches the lowest hell

Bridge:

Let every knee bow down, let every tongue confess
Jesus Christ is Lord, He reigns forever
The wind and oceans roar, every mountain bows
to worship Christ the Lord, He reigns forever
